

Hello and Welcome!

VAN PICK-UP PROCEDURE:

1. The van is parked on the sidestreet of 14690 NW Heathman Ln Portland, OR 97229
2. You may leave your car parked on the street behind the van for the duration of your trip. (Do not worry, it is an extremely safe neighborhood!)
3. **The VAN KEYS are located on/by the black bench on the front porch of the house in a container** (You can leave the container, this is where you will return the keys upon returning)
4. **REQUIRED BEFORE DEPARTURE:** Take pictures or video walkthrough of the exterior and interior of the van before departing. (**NOTE:** The owners will have already completed their pretrip video walkthrough as well)
 - a. If you booked the van through a rental platform, make sure to use the platform's photo feature to capture the pre/post images.
 - b. Take note of the odometer count (On van dashboard) and the gray+black tank levels (Located above the slide door [See image below])

***NOTE: If the red lights are not illuminating it means the battery is off. Simply press up on the bottom far right 'BATTERY / DISCONNECT' switch on the panel. Once 'ON' you can leave it for the duration of your trip.**

- i. GRAY TANK = Holds wastewater from sinks/showers
- ii. BLACK TANK = Holds toilet waste (sewage)

5. Done - Hit the open road!
 - a. NOTE:
 - i. Van Dimensions: **LENGTH = 22ft 2 in / HEIGHT = 9 ft 11 in.**

Inside the van (passenger seat) is a binder with all operational instructions to reference

Please treat the van with respect and care! Thank you!
